

Does US Commission on International Religious Freedom (USCIRF) have any moral right to monitor religious freedom in India?

<http://www.indiadaily.com/editorial/8499.asp>

False promises and taking advantage of social and economic condition of certain communities to convert people is now being challenged by BJP and RSS in India. That is what **the US Commission on International Religious Freedom (USCIRF)** cannot tolerate. It is shame for USCIRF to try and monitor India while doing nothing much in America!

The **US Commission on International Religious Freedom (USCIRF)** has said that it is closely monitoring religious freedoms in India.
